### **Order a signed copy to collect from my York studio**

Books will be available for pickup 3-5 working days after the order date. I will email you to find a mutually convenient time to pick up your copy. If you need your order by a specific date, please email me before placing your order.

### **Pre-order for pick up at an event or talk**

If you are pre-ordering a signed copy of my book to pick up at one of my talks or events, please ensure the order is placed at least 10 working days prior to the event. After this time, only a limited number of copies will be available at the event. Please add a note to your order specifying the event date.

### **Order book for UK delivery**

I had hoped to offer signed copies by post. However, although I can buy books at a discounted rate from my publisher, the combined costs of packaging, postage and card fees make this unworkable for a small independent business.

Instead, I have created an affiliate shop with Bookshop.org. When you purchase through my page, both I and independent bookshops receive a small commission at no extra cost to you. It is a simple and meaningful way to support independent shops, while also supporting my small business.

You can order here: <https://uk.bookshop.org/shop/michellehughesdesign>

*Disclosure: If you buy books linked to my [uk.bookshop.org/shop/michellehughesdesign](https://uk.bookshop.org/shop/michellehughesdesign) shop, both I and independent bookshops may earn a small matching commission. Your purchase also supports Bookshop.org's mission to champion independent bookshops. Thank you for supporting my small business and the indie book community.*

I encourage supporting independent bookshops wherever possible. My book is also available through Waterstones, Blackwell's and other major booksellers.

I've been compiling details of stockists worldwide. If you do find an independent stockist outside the UK who isn't listed, please let me know, and I'll add them to this list so others can support them too.

Please try to support independent bookshops as much as you can.
